

#B41-L-500 BAYPORT-L LOG SET

NOTE

Numbers are located on the bottom of each log. Install in numerical order. Refer to following instructions and illustrations for proper placement.

CAUTION

Do not place logs directly over burner port holes. Improper log placement may affect flame appearance and cause excessive soot to build up on logs and glass.

Align mounting holes on bottoms of logs #BP1-#BP4 with mounting pins on burner. Set down into position. Position #BP5 - #BP8 logs as shown in photo below. Use a steel or stiff bristle brush to distribute Rock Wool Embers onto logs and burner.

**KOZY HEAT**
FIREPLACES
