

**⚠ WARNING:** This product can expose you to chemicals including Ethylbenzene which is [are] known to the State of California to cause cancer, birth defects or other reproductive harm. For more information, visit [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

**NOTE:** Paint may discolor or fade when placed directly over the burner.

- *If converting to propane, complete the conversion before installing the log set. Follow the conversion instructions included with the kit.*
- *If installing a black glass panel set, complete installation of panel set before log installation*

Instructions

1. Install crushed media on burner and media tray.
2. Install Geometric Sphere Set in an alternating pattern of large and small.. Figure 1 shows the front view of the recommended layout. Figure 2 shows a side view. Make sure the spheres do not touch the firebox glass. Note: We placed a piece unpainted metal behind the spheres to create better visibility for these instructions. The back of your firebox will be painted black.
